8 not exceed three million dollars.

9 2. Any amount of credit which exceeds the tax liability of a taxpayer for
10 the tax year in which the credit is first claimed may be carried back to any of the
11 taxpayer's three prior tax years and carried forward to any of the taxpayer's five
12 subsequent tax years. A certificate of tax credit issued to a taxpayer by the

43 (2) For all tax years beginning on or after January 1, 2007, a taxpayer

49 and such taxpayer shall not be allowed to claim a tax credit in excess of fifty
50 thousand dollars per taxable year. However, any tax credit that cannot be

53 4. Except for any excess credit which is carried over pursuant to
54 subsection 3 of this section, a taxpayer shall not be allowed to claim a tax credit

62 director shall classify a facility as a pregnancy resource center if such facility
63 meets the definition set forth in subsection 1 of this section.

64 6. The director shall establish a procedure by which a taxpayer can

69 shall not exceed two million **five hundred thousand** dollars. Tax credits shall
70 be issued in the order contributions are received.

75 resource center fails to use all, or some percentage to be determined by the
76 director, of its apportioned tax credits during this predetermined period of time,
77 the director may reapportion these unused tax credits to those pregnancy
78 resource centers that have used all, or some percentage to be determined by the
79 director, of their apportioned tax credits during this predetermined period of
80 time. The director may establish more than one period of time and reapportion
81 more than once during each fiscal year. To the maximum extent possible, the

84 the cumulative amount of tax credits available for the fiscal year.

85 8. Each pregnancy resource center shall provide information to the
86 director concerning the identity of each taxpayer making a contribution to the
87 pregnancy resource center who is claiming a tax credit pursuant to this section
88 and the amount of the contribution. The director shall provide the information
89 to the director of revenue. The director shall be subject to the confidentiality and
90 penalty provisions of section 32.057 relating to the disclosure of tax information.

91 9. Pursuant to section 23.253 of the Missouri sunset act:

93 the effective date of this act and shall expire on December 31, 2019, unless
94 reauthorized by the general assembly; and

95 (2) This section shall terminate on September first of the calendar year
96 immediately following the calendar year in which a program authorized under
97 this section is sunset; and

101 ability to redeem such tax credits.

97 time employees located at the expanding data storage center that
98 exceeds the greater of the number of full-time employees located at the

133 purchaser.

134 2. In addition to the exemptions granted under chapter 144,
135 project taxpayers for a new data storage center project shall be
136 entitled, for a project period not to exceed fifteen years from the date

137 of conditional approval under this section and subject to the
138 requirements of subsection 3 of this section, to an exemption of one
139 hundred percent of the state and local sales and use taxes defined,
140 levied, or calculated under section 32.085, sections 144.010 to 144.525,
141 sections 144.600 to 144.761, or section 238.235, limited to the net fiscal
142 benefit of the state calculated over a ten-year period, on:

143 (1) All electrical energy, gas, water, and other utilities including
144 telecommunication and internet services used in a new data storage
145 center;

146 (2) All machinery, equipment, and computers used in any new
147 data storage center; and

148 (3) All sales at retail of tangible personal property and materials
149 for the purpose of constructing any new data storage center.

150 The amount of any exemption provided under this subsection shall not
151 exceed the projected net fiscal benefit to the state over a period of ten
152 years, as determined by the department of economic development using
153 the Regional Economic Modeling, Inc. dataset or comparable data.

154 3. (1) Any data storage center project seeking a tax exemption
155 under subsection 2 of this section shall submit a notice of intent and a
156 project plan to the department of economic development, which shall
157 identify each known constructing taxpayer and known operating
158 taxpayer for the project and include any additional information the
159 department of economic development may require to determine
160 eligibility for the exemption. The department of economic development
161 shall review the project plan and determine whether the project is
162 eligible for the exemption under subsection 2 of this section,
163 conditional upon subsequent verification by the department that the
164 project meets the requirements in subsection 1 of this section for a new
165 facility project. The department shall make such conditional
166 determination within thirty days of submission by the operating
167 taxpayer. Failure of the department to respond within thirty days shall
168 result in a project plan being deemed conditionally approved.

169 (2) The department of economic development shall convey
170 conditional approvals to the department of revenue and the identified
171 project taxpayers. After a conditionally approved new facility has met
172 the requirements in subsection 1 of this section for a new facility and
173 the execution of the agreement specified in subsection 6 of this section,

174 the project taxpayers shall provide proof of the same to the department
175 of economic development. Upon verification of such proof, the
176 department of economic development shall certify the new facility to
177 the department of revenue as being eligible for the exemption dating
178 retroactively to the first day of construction on the new facility. The
179 department of revenue, upon receipt of adequate proof of the amount
180 of sales taxes paid since the first day of construction, shall issue a
181 refund of taxes paid but eligible for exemption under subsection 2 of
182 this section to any applicable taxpayer and issue a certificate of
183 exemption to each new project taxpayer for ongoing exemptions under
184 subsection 2 of this section. The department of revenue shall issue
185 such a refund within thirty days of receipt of certification from the
186 department of economic development.

187 (3) Any project that does not meet the minimum investment or
188 new job requirements of subsection 1 of this section may, at the
189 discretion of the department of economic development, be awarded
190 exemptions under subsection 2 of this section provided such exemption
191 shall not exceed the projected net fiscal benefit to the state over a
192 period of ten years.

193 (4) The commencement of the exemption period may be delayed
194 at the option of the operating taxpayer, but not more than twenty-four
195 months after the execution of the agreement required under subsection
196 6 of this section.

197 4. In addition to the exemptions granted under chapter 144, upon
198 approval by the department of economic development, project
199 taxpayers for expanding data center projects may, for a period not to
200 exceed ten years, be specifically exempted from state and local sales
201 and use taxes defined, levied, or calculated under section 32.085,
202 sections 144.010 to 144.525, sections 144.600 to 144.761, or section
203 238.235 on:

204 (1) All electrical energy, gas, water, and other utilities including
205 telecommunication and internet services used in an expanding data
206 storage center which, on an annual basis, exceeds the amount of
207 electrical energy, gas, water, and other utilities including
208 telecommunication and internet services used in the existing facility or
209 the replaced facility prior to the expansion. For purposes of this
210 subdivision only, "amount" shall be measured in kilowatt hours, gallons,

211 cubic feet, or other measures applicable to a utility service as opposed
212 to in dollars, to account for increases in utility rates;

213 (2) All machinery, equipment, and computers used in any
214 expanding data storage center; and

215 (3) All sales at retail of tangible personal property and materials
216 for the purpose of constructing, repairing, or remodeling any
217 expanding data storage center. The amount of any exemption provided
218 under this subsection shall not exceed the projected net fiscal benefit
219 to the state over a period of ten years, as determined by the department
220 of economic development using the Regional Economic Modeling, Inc.
221 dataset or comparable data.

222 5. (1) Any data storage center project seeking a tax exemption
223 under subsection 4 of this section shall submit a notice of intent and a
224 project plan to the department of economic development, which shall
225 identify each known constructing taxpayer and each known operating
226 taxpayer for the project and include any additional information the
227 department of economic development may reasonably require to
228 determine eligibility for the exemption. The department of economic
229 development shall review the project plan and determine whether the
230 project is eligible for the exemption under subsection 4 of this section,
231 conditional upon subsequent verification by the department that the
232 project meets the requirements in subsection 1 of this section for an
233 expanding facility project and the execution of the agreement specified
234 in subsection 6 of this section. The department shall make such
235 conditional determination within thirty days of submission by the
236 operating taxpayer. Failure of the department to respond within thirty
237 days shall result in a project plan being deemed conditionally
238 approved.

239 (2) The department of economic development shall convey such
240 conditional approval to the department of revenue and the identified
241 project taxpayers. After a conditional approved facility has met the
242 requirements in subsection 1 of this section, the project taxpayers shall
243 provide proof of the same to the department of economic
244 development. Upon verification of such proof, the department of
245 economic development shall certify the project to the department of
246 revenue as being eligible for the exemption dating retroactively to the
247 first day of the expansion of the facility. The department of revenue,

248 upon receipt of adequate proof of the amount of sales taxes paid since
249 the first day of the expansion of the facility, shall issue a refund of
250 taxes paid but eligible for exemption under subsection 4 of this section
251 to any applicable project taxpayer and issue a certificate of exemption
252 to any applicable project taxpayer for ongoing exemptions under
253 subsection 4 of this section. The department of revenue shall issue
254 such a refund within thirty days of receipt of certification from the
255 department of economic development.

256 (3) Any project that does not meet the minimum investment or
257 new job requirements of subsection 1 of this section may, at the
258 discretion of the department of economic development, be awarded
259 exemptions under subsection 4 of this section provided such exemption
260 shall not exceed the projected net fiscal benefit to the state over a
261 period of ten years.

262 (4) The commencement of the exemption period may be delayed
263 at the option of the operating taxpayer, but not more than twenty-four
264 months after the execution of the agreement required under subsection
265 6 of this section.

266 6. (1) The exemptions in subsections 2 and 4 of this section shall
267 be tied to the new or expanding facility project. A certificate of
268 exemption in the hands of a taxpayer that is no longer an operating or
269 constructing taxpayer of the new or expanding facility project shall be
270 invalid as of the date the taxpayer was no longer an operating or
271 constructing taxpayer of the new or expanding facility project. New
272 certificates of exemption shall be issued to successor constructing
273 taxpayers and operating taxpayers at such new or expanding facility
274 projects. The right to the exemption by successor taxpayers shall exist
275 without regard to subsequent levels of investment in the new or
276 expanding facility by successor taxpayers.

277 (2) In order to received exemptions under subsection 2 or 4 of
278 this section, the project taxpayers shall enter into an agreement with
279 the department of economic development providing for repayment
280 penalties in the event the data storage center project fails to:

281 (a) Comply with any of the requirements of this section; or
282 (b) Satisfy the investment or job creation projected in the notice
283 of intent submitted for the project;

284 (3) The department of revenue shall credit any amounts remitted

285 by the project taxpayers under this subsection to the fund to which the
286 sales and use taxes exempted would have otherwise been credited.

287 7. The department of economic development and the department
288 of revenue shall cooperate in conducting random audits to ensure that
289 the intent of this section is followed.

290 8. Notwithstanding any other provision of law to the contrary,
291 no recipient of an exemption pursuant to this section shall be eligible
292 for benefits under any business recruitment tax credit, as defined in
293 section 135.800.

294 9. The department of economic development and the department
295 of revenue shall jointly prescribe such rules and regulations necessary
296 to carry out the provisions of this section. Any rule or portion of a
297 rule, as that term is defined in section 536.010, that is created under
298 the authority delegated in this section shall become effective only if it
299 complies with and is subject to all of the provisions of chapter 536 and,
300 if applicable, section 536.028. This section and chapter 536 are
301 nonseverable and if any of the powers vested with the general assembly
302 pursuant to chapter 536 to review, to delay the effective date, or to
303 disapprove and annul a rule are subsequently held unconstitutional,
304 then the grant of rulemaking authority and any rule proposed or
305 adopted after August 28, 2013, shall be invalid and void.

306 10. This section shall terminate on September 1, 2019. The
307 termination of this section shall not be construed to limit or in any way
308 impair the exemption for any project approved prior to the termination
309 of this section.

253.550. 1. Any taxpayer incurring costs and expenses for the
2 rehabilitation of eligible property, which is a certified historic structure or
3 structure in a certified historic district, may, subject to the provisions of this
4 section and section 253.559, receive a credit against the taxes imposed pursuant
5 to chapters 143 and 148, except for sections 143.191 to 143.265, on such taxpayer
6 in an amount equal to twenty-five percent of the total costs and expenses of
7 rehabilitation incurred after January 1, 1998, which shall include, but not be
8 limited to, qualified rehabilitation expenditures as defined under section
9 47(c)(2)(A) of the Internal Revenue Code of 1986, as amended, and the related
10 regulations thereunder, provided the rehabilitation costs associated with
11 rehabilitation and the expenses exceed fifty percent of the total basis in the
12 property and the rehabilitation meets standards consistent with the standards

13 of the Secretary of the United States Department of the Interior for rehabilitation
14 as determined by the state historic preservation officer of the Missouri
15 department of natural resources.

16 2. During the period beginning on January 1, 2010, but ending on or after
17 June 30, 2010, the department of economic development shall not approve
18 applications for tax credits under the provisions of subsections 3 and 8 of section
19 253.559 which, in the aggregate, exceed seventy million dollars, increased by any
20 amount of tax credits for which approval shall be rescinded under the provisions
21 of section 253.559. For each fiscal year beginning on or after July 1, 2010, **but**
22 **ending on or before June 30, 2013**, the department of economic development
23 shall not approve applications for tax credits under the provisions of subsections
24 3 and 8 of section 253.559 which, in the aggregate, exceed one hundred forty
25 million dollars, increased by any amount of tax credits for which approval shall
26 be rescinded under the provisions of section 253.559. The limitations provided
27 under this subsection shall not apply to applications approved under the
28 provisions of subsection 3 of section 253.559 for projects to receive less than two
29 hundred seventy-five thousand dollars in tax credits.

30 3. For all applications for tax credits approved on or after January 1,
31 2010, **but before the effective date of this act**, no more than two hundred
32 fifty thousand dollars in tax credits may be issued for eligible costs and expenses
33 incurred in the rehabilitation of an eligible property which is a nonincome
34 producing single-family, owner-occupied residential property and is either a
35 certified historic structure or a structure in a certified historic district.

36 4. The limitations on tax credit authorization provided under the

58 **provided under this subsection shall not apply to applications approved**
59 **under the provisions of subsection 3 of section 253.559 for projects to**

102 **or**

103 **(b) Has received certification, by the state historic preservation**
104 **officer, that the rehabilitation plan meets the standards consistent with**
105 **the standards of the Secretary of the United States Department of the**
106 **Interior, and the rehabilitation costs and expenses associated with such**
107 **rehabilitation would, upon completion, be expected to exceed fifty**
108 **percent of the total basis in the property.**

253.557. 1. If the amount of such credit exceeds the total tax liability for
2 the year in which the rehabilitated property is placed in service, the amount that
3 exceeds the state tax liability may be carried back to any of the three preceding
4 years and carried forward for credit against the taxes imposed pursuant to
5 chapter 143 and chapter 148, except for sections 143.191 to 143.265 for the
6 succeeding ten years, or until the full credit is used, whichever occurs first. **For**
7 **all tax credits authorized under the provisions of sections 253.545 to**
8 **253.559 on or after the effective date of this act, if the total amount of**
9 **such credit exceeds the total tax liability for the year in which the**
10 **rehabilitated property is placed in service, the amount that exceeds the**
11 **state tax liability may be carried forward for credit against the taxes**
12 **imposed pursuant to chapter 143 and chapter 148, except for sections**
13 **143.191 to 143.265 for the succeeding two years, or until the full credit**
14 **is used, whichever occurs first. Not-for-profit entities, including but not**

15 limited to corporations organized as not-for-profit corporations pursuant to
16 chapter 355 shall be ineligible for the tax credits authorized under sections
17 253.545 [through 253.561] to **253.559. Any taxpayer that receives state tax**
18 **credits under the provisions of sections 135.350 to 135.363 for a project**
19 **that is not financed through tax exempt bonds issuance shall be**
20 **ineligible for the state tax credits authorized under sections 253.545 to**
21 **253.559 for the same project.** Taxpayers eligible for such tax credits may
22 transfer, sell or assign the credits. Credits granted to a partnership, a limited
23 liability company taxed as a partnership or multiple owners of property shall be
24 passed through to the partners, members or owners respectively pro rata or
25 pursuant to an executed agreement among [the] **such** partners, members or
26 owners documenting an alternate distribution method.

27 2. The assignee of the tax credits, hereinafter the assignee for purposes
28 of this subsection, may use acquired credits to offset up to one hundred percent
29 of the tax liabilities otherwise imposed pursuant to chapter 143 and chapter 148,
30 except for sections 143.191 to 143.265. The assignor shall perfect such transfer
31 by notifying the department of economic development in writing within thirty
32 calendar days following the effective date of the transfer and shall provide any
33 information as may be required by the department of economic development to
34 administer and carry out the provisions of this section.

253.559. 1. To obtain approval for tax credits allowed under sections
2 253.545 to 253.559, a taxpayer shall submit an application for tax credits to the
3 department of economic development. Each application for approval, including
4 any applications received for supplemental allocations of tax credits as provided
5 under subsection 8 of this section, shall be prioritized for review and approval,
6 in the order of the date on which the application was postmarked, with the oldest
7 postmarked date receiving priority. Applications postmarked on the same day
8 shall go through a lottery process to determine the order in which such
9 applications shall be reviewed.

10 2. Each application shall be reviewed by the department of economic
11 development for approval. In order to receive approval, an application, other
12 than applications submitted under the provisions of subsection 8 of this section,
13 shall include:

14 (1) Proof of ownership or site control. Proof of ownership shall include
15 evidence that the taxpayer is the fee simple owner of the eligible property, such
16 as a warranty deed or a closing statement. Proof of site control may be evidenced

17 by a leasehold interest or an option to acquire such an interest. If the taxpayer
18 is in the process of acquiring fee simple ownership, proof of site control shall
19 include an executed sales contract or an executed option to purchase the eligible
20 property;

21 (2) Floor plans of the existing structure, architectural plans, and, where
22 applicable, plans of the proposed alterations to the structure, as well as proposed
23 additions;

24 (3) The estimated cost of rehabilitation, the anticipated total costs of the
25 project, the actual basis of the property, as shown by proof of actual acquisition
26 costs, the anticipated total labor costs, the estimated project start date, and the
27 estimated project completion date;

28 (4) Proof that the property is an eligible property and a certified historic
29 structure or a structure in a certified historic district; and

30 (5) Any other information which the department of economic development
31 may reasonably require to review the project for approval. Only the property for
32 which a property address is provided in the application shall be reviewed for
33 approval. Once selected for review, a taxpayer shall not be permitted to request
34 the review of another property for approval in the place of the property contained
35 in such application. Any disapproved application shall be removed from the
36 review process. If an application is removed from the review process, the
37 department of economic development shall notify the taxpayer in writing of the
38 decision to remove such application. Disapproved applications shall lose priority
39 in the review process. A disapproved application, which is removed from the
40 review process, may be resubmitted, but shall be deemed to be a new submission
41 for purposes of the priority procedures described in this section.

42 3. If the department of economic development deems the application
43 sufficient, the taxpayer shall be notified in writing of the approval for an amount
44 of tax credits equal to the amount provided under section 253.550 less any
45 amount of tax credits previously approved. Such approvals shall be granted to
46 applications in the order of priority established under this section and shall
47 require full compliance thereafter with all other requirements of law as a
48 condition to any claim for such credits.

49 4. Following approval of an application, the identity of the taxpayer
50 contained in such application shall not be modified except:

51 (1) The taxpayer may add partners, members, or shareholders as part of
52 the ownership structure, so long as the principal remains the same, provided

53 however, that subsequent to the commencement of renovation and the
54 expenditure of at least ten percent of the proposed rehabilitation budget, removal
55 of the principal for failure to perform duties and the appointment of a new
56 principal thereafter shall not constitute a change of the principal; or

57 (2) Where the ownership of the project is changed due to a foreclosure,
58 deed in lieu of a foreclosure or voluntary conveyance, or a transfer in
59 bankruptcy. **Upon any such change in ownership, the taxpayer contained**
60 **in such application shall notify the department of such change.**

61 5. In the event that the department of economic development grants
62 approval for tax credits equal to the **applicable** total amount available under
63 subsection 2, **5, or 8** of section 253.550, or sufficient that when totaled with all
64 other approvals, the **applicable** amount available under subsection 2, **5, or 8** of
65 section 253.550 is exhausted, all taxpayers with applications then awaiting
66 approval or thereafter submitted for approval shall be notified by the department
67 of economic development that no additional approvals shall be granted during the
68 fiscal year and shall be notified of the priority given to such taxpayer's
69 application then awaiting approval. Such applications shall be kept on file by the
70 department of economic development and shall be considered for approval for tax
71 credits in the order established in this section in the event that additional credits
72 become available due to the rescission of approvals or when a new fiscal year's
73 allocation of credits becomes available for approval.

74 6. All taxpayers with applications receiving approval on or after the
75 effective date of this act shall commence rehabilitation within two years of the
76 date of issuance of the letter from the department of economic development
77 granting the approval for tax credits. "Commencement of rehabilitation" shall
78 mean that as of the date in which actual physical work, contemplated by the
79 architectural plans submitted with the application, has begun, the taxpayer has
80 incurred no less than ten percent of the estimated costs of rehabilitation provided
81 in the application. Taxpayers with approval of a project shall submit evidence of
82 compliance with the provisions of this subsection. If the department of economic
83 development determines that a taxpayer has failed to comply with the
84 requirements provided under this section, the approval for the amount of tax
85 credits for such taxpayer shall be rescinded and such amount of tax credits shall
86 then be included in the **applicable** total amount of tax credits, provided under
87 subsection 2, **5, or 8** of section 253.550, from which approvals may be
88 granted. Any taxpayer whose approval shall be subject to rescission shall be

89 notified of such from the department of economic development and, upon receipt
90 of such notice, may submit a new application for the project.

91 7. To claim the credit authorized under sections 253.550 to 253.559, a
92 taxpayer with approval shall apply for final approval and issuance of tax credits
93 from the department of economic development which, in consultation with the
94 department of natural resources, shall determine the final amount of eligible
95 rehabilitation costs and expenses and whether the completed rehabilitation meets
96 the standards of the Secretary of the United States Department of the Interior
97 for rehabilitation as determined by the state historic preservation officer of the
98 Missouri department of natural resources. For financial institutions credits
99 authorized pursuant to sections 253.550 to 253.561 shall be deemed to be
100 economic development credits for purposes of section 148.064. The approval of
101 all applications and the issuing of certificates of eligible credits to taxpayers shall
102 be performed by the department of economic development. The department of
103 economic development shall inform a taxpayer of final approval by letter and
104 shall issue, to the taxpayer, tax credit certificates. The taxpayer shall attach the
105 certificate to all Missouri income tax returns on which the credit is claimed.

106 8. Except as expressly provided in this subsection, tax credit certificates
107 shall be issued in the final year that costs and expenses of rehabilitation of the
108 project are incurred, or within the twelve-month period immediately following the
109 conclusion of such rehabilitation. In the event the amount of eligible
110 rehabilitation costs and expenses incurred by a taxpayer would result in the
111 issuance of an amount of tax credits in excess of the amount provided under such
112 taxpayer's approval granted under subsection 3 of this section, such taxpayer may
113 apply to the department for issuance of tax credits in an amount equal to such
114 excess. Applications for issuance of tax credits in excess of the amount provided
115 under a taxpayer's application shall be made on a form prescribed by the
116 department. Such applications shall be subject to all provisions regarding
117 priority provided under subsection 1 of this section.

118 9. The department of economic development shall determine, on an annual
119 basis, the overall economic impact to the state from the rehabilitation of eligible
120 property.

121 **10. By no later than January 1, 2014, the department of economic**
122 **development shall propose rules to implement the provisions of**
123 **sections 253.550 to 253.559. Prior to proposing such rules, the**
124 **department shall conduct a stakeholder process designed to solicit**

125 input from interested parties. Any rule or portion of a rule, as that
126 term is defined in section 536.010, that is created under the authority
127 delegated herein shall become effective only if it complies with and is
128 subject to all of the provisions of chapter 536 and, if applicable, section
129 536.028. This section and chapter 536 are nonseverable and if any of
130 the powers vested with the general assembly pursuant to chapter 536
131 to review, to delay the effective date, or to disapprove and annul a rule
132 are subsequently held unconstitutional, then the grant of rulemaking
133 authority and any rule proposed or adopted after the effective date of
134 this act, shall be invalid and void.

348.273. 1. This section and section 348.274 shall be known and
2 may be cited as the "Missouri Angel Investment Incentive Act".

3 2. As used in this section and section 348.274, the following terms
4 mean:

5 (1) "Cash investment", money or money equivalent contribution;

6 (2) "Department", the department of economic development;

7 (3) "Investor":

16 in effect on August 28, 2013.

18 business in which an otherwise qualified cash investment is made is not
19 an investor and such person shall not qualify for the issuance of tax

25 business taxable income, if any, would be subject to the state income
26 tax imposed under chapter 143, general partnership, limited
27 partnership, small corporation described in section 143.471, revocable

28 living trust, or limited liability company that has elected to be taxed as

36 are approved and certified as qualified knowledge-based companies by
37 the regional SBTDC that meet at least one of the following criteria:

40 Missouri; or

41 (c) Any corporation, even if a wholly owned subsidiary of a

44 (8) "Qualified securities", a cash investment through any one or
45 more forms of financial assistance as provided in this subdivision and
46 that have been approved in form and substance by the
47 department. Forms of such financial assistance include:

48 (a) Any form of equity, such as:

49 a. A general or limited partnership interest;

50 b. Common stock;

51 c. Preferred stock, with or without voting rights, without regard

64 (10) "Tax credit", a credit against the tax otherwise due under

65 chapter 143, excluding withholding tax imposed by sections 143.191 to
66 143.265.

67 3. The Missouri angel investment incentive act shall be
68 administered by the regional SBTDCs and the department, with the
69 primary goal of encouraging individuals to provide seed-capital
70 financing for emerging Missouri businesses engaged in the
71 development, implementation, and commercialization of innovative
72 technologies, products, and services. Each regional SBTDC shall
73 establish a regional committee consisting of no fewer than three but no
74 more than five persons for the purpose of reviewing applications from
75 businesses requesting designation as a qualified Missouri business and
76 allocating the amount of available tax credits among the qualified
77 Missouri businesses. The department shall establish its own rules of
78 procedure, including the form and substance of applications to be used
79 by each regional SBTDC and the criteria to be considered by each
80 regional SBTDC when evaluating a qualified Missouri business, such
81 applications and criteria to be not less than the minimum requirements
82 set forth in subsection 5 of this section. The department shall issue tax
83 credits to qualified investors that make cash investments in qualified
84 Missouri businesses that have been allocated available tax credits by
85 a regional SBTDC.

86 4. (1) A tax credit shall be allowed for an investor's cash
87 investment in the qualified securities of a qualified Missouri
88 business. The credit shall be in a total amount equal to fifty percent of
89 such investor's cash investment in any qualified Missouri business,
90 subject to the limitations set forth in this subsection. This tax credit
91 may be used in its entirety in the taxable year in which the cash
92 investment is made except that no tax credit shall be allowed in a year
93 prior to the year beginning January 1, 2014. If the amount by which
94 that portion of the credit allowed by this section exceeds the investor's
95 liability in any one taxable year, the remaining portion of the credit
96 may be carried forward five years or until the total amount of the
97 credit is used, whichever occurs first. If the investor is a permitted
98 entity investor, the credit provided by this section shall be claimed by
99 the owners of the permitted entity investor in proportion to their
100 equity investment in the permitted entity investor.

101 (2) A cash investment in a qualified security shall be deemed to

102 have been made on the date of acquisition of the qualified security, as
103 such date is determined in accordance with the provisions of the
104 Internal Revenue Code of 1986, as amended.

105 (3) The director of the department of revenue shall not allow tax
106 credits of more than fifty thousand dollars for a single qualified
107 Missouri business or a total of two hundred fifty thousand dollars in
108 tax credits for a single year per investor who is a natural person or
109 owner of a permitted entity investor. No tax credits authorized by this
110 section and section 348.274 shall be allowed for any cash investments
111 in qualified securities for any year beginning after December 31,
112 2019. The total amount of tax credits allocated under this section shall
113 not exceed six million dollars per year.

114 (4) At the beginning of each calendar year, the department shall
115 equally designate the tax credits available during that year to each
116 regional SBTDC. At the beginning of each calendar quarter, the
117 department shall allocate to each regional SBTDC one-fourth of the
118 total tax credits designated to such regional SBTDC for the calendar
119 year such that the regional SBTDC can allocate tax credits among the
120 qualified Missouri businesses. The department shall then issue tax
121 credits to qualified investors for cash investments in such qualified
122 Missouri businesses during that calendar quarter.

123 (5) At the end of each calendar quarter, each regional SBTDC
124 shall report to the department any unallocated tax credits for the
125 preceding quarter. Such report shall meet the requirements set forth
126 in section 348.274. The department shall aggregate all such tax credits
127 and reallocate them equally among the regional SBTDCs as soon as
128 possible during the next consecutive calendar quarter. Each regional
129 SBTDC shall receive such reallocation in addition to the new allocation
130 of designated tax credits for such quarter.

131 (6) During the fourth calendar quarter, a regional SBTDC in
132 need of additional tax credits for transactions closing in the fourth
133 calendar quarter may request that another regional SBTDC with
134 unallocated tax credits permit such unallocated tax credits to be
135 allocated by the requesting SBTDC. No regional SBTDC shall be
136 required to grant such request. When a granting SBTDC transfers the
137 allocation of the unallocated tax credits to a requesting SBTDC under
138 this subdivision, the granting SBTDC shall provide to the requesting

139 SBTDC a written confirmation authorizing such transfer, the granting
140 SBTDC shall include a copy of such written confirmation in its reports
141 provided under section 348.274, and the requesting SBTDC shall include
142 a copy of such written confirmation in its reports provided under
143 section 348.274.

144 5. (1) Before an investor may be entitled to receive tax credits
145 under this section and section 348.274, such investor shall have made
146 a cash investment in a qualified security of a qualified Missouri
147 business. The business shall have been approved by a regional SBTDC
148 as a qualified Missouri business before the date on which the cash
149 investment was made. To be designated as a qualified Missouri
150 business, a business shall make application to a regional SBTDC in
151 accordance with the provisions of this section.

152 (2) The application by a business to a regional SBTDC shall be
153 in the form and substance as required by the department, but shall
154 include at least the following:

155 (a) The name of the business and certified copies of the
156 organizational documents of the business;

157 (b) A business plan, including a description of the business and
158 the management, product, market, and financial plan of the business;

159 (c) A statement of the potential economic impact of the
160 enterprise, including the number, location, and types of jobs expected
161 to be created;

162 (d) A description of the qualified securities to be issued, the
163 consideration to be paid for the qualified securities, and the amount of
164 any tax credits requested;

165 (e) A statement of the amount, timing, and projected use of the
166 proceeds to be raised from the proposed sale of qualified securities;
167 and

168 (f) Such other information as the regional SBTDC or the
169 department may reasonably request.

170 (3) The designation of a business as a qualified Missouri business
171 shall be made by the regional SBTDC, and such designation shall be
172 renewed annually. A business shall be so designated if the regional
173 SBTDC determines, based upon the application submitted by the
174 business and any additional investigation the regional SBTDC shall
175 make, that such business meets the criteria established by the

176 department. Such criteria shall include at least the following:

177 (a) The business shall not have had annual gross revenues of
178 more than five million dollars in the most recent tax year of the
179 business;

180 (b) Businesses that are not bioscience businesses shall have been
181 in operation for less than five years, and bioscience businesses shall
182 have been in operation for less than ten years;

183 (c) The ability of investors in the business to receive tax credits
184 for cash investments in qualified securities of the business is beneficial,
185 because funding otherwise available for the business is not available
186 on commercially reasonable terms;

187 (d) The business shall not have ownership interests including,
188 but not limited to, common or preferred shares of stock, that can be
189 traded via a public stock exchange before the date that a qualifying
190 investment is made;

191 (e) The business shall not be engaged primarily in any one or
192 more of the following enterprises:

193 a. The business of banking, savings and loan or lending
194 institutions, credit or finance, or financial brokerage or investments;

195 b. The provision of professional services, such as legal,
196 accounting, or engineering services;

197 c. Governmental, charitable, religious, or trade organizations;

198 d. The ownership, development brokerage, sales, or leasing of
199 real estate;

200 e. Insurance;

201 f. Construction or construction management or contracting;

202 g. Business consulting or brokerage;

203 h. Any business engaged primarily as a passive business, having
204 irregular or noncontinuous operations, or deriving substantially all of
205 the income of the business from passive investments that generate
206 interest, dividends, royalties, or capital gains, or any business
207 arrangements the effect of which is to immunize an investor from risk
208 of loss;

209 i. Any activity that is in violation of the law;

210 j. Any business raising money primarily to purchase real estate,
211 land, or fixtures; and

212 k. Any gambling related business;

213 (f) The business has a reasonable chance of success;

214 (g) The business has the reasonable potential to create
215 measurable employment within the region, this state, or both;

216 (h) The business has an innovative and proprietary technology,
217 product, or service;

218 (i) The existing owners of the business and other founders have
219 made or are committed to make a substantial financial and time
220 commitment to the business;

221 (j) The securities to be issued and purchased are qualified
222 securities;

223 (k) The business has the reasonable potential to address the
224 needs and opportunities specific to the region or this state, or both;

225 (l) The business has made binding commitments to the regional
226 SBTDC for adequate reporting of financial data, including a
227 requirement for an annual report, or, if required by the regional
228 SBTDC, an annual audit of the financial and operational records of the
229 business, the right of access to the financial records of the business,
230 and the right of the regional SBTDC to record and publish normal and
231 customary data and information related to the issuance of tax credits
232 that are not otherwise determined to be trade or business secrets; and

233 (m) The business shall satisfy all other requirements of this
234 section and section 348.274.

235 (4) Notwithstanding the requirements of subdivision (3) of this
236 subsection, a business may be considered as a qualified Missouri
237 business under the provisions of this section and section 348.274 if such
238 business falls within a standard industrial classification code
239 established by the department.

240 (5) A qualified Missouri business shall have the burden of proof
241 to demonstrate to the regional SBTDC the qualifications of the business
242 under this section.

243 6. Any rule or portion of a rule, as that term is defined in section
244 536.010 that is created under the authority delegated in this section
245 and section 348.274 shall become effective only if it complies with and
246 is subject to all of the provisions of chapter 536, and, if applicable,
247 section 536.028. This section and chapter 536 are nonseverable and if
248 any of the powers vested with the general assembly pursuant to chapter
249 536, to review, to delay the effective date, or to disapprove and annul

250 a rule are subsequently held unconstitutional, then the grant of
251 rulemaking authority and any rule proposed or adopted after August
252 28, 2013, shall be invalid and void.

348.274. 1. (1) Each regional SBTDC is authorized to allocate tax
2 credits to qualified Missouri businesses. The department is authorized
3 to issue tax credits to qualified investors in such qualified Missouri
4 businesses. Such tax credits shall be allocated to those qualified
5 Missouri businesses which, as determined by the regional SBTDC, are
6 most likely to provide the greatest economic benefit to the region, the
7 state, or both. The regional SBTDC may allocate, and the department
8 may issue, whole or partial tax credits based on the regional SBTDC's
9 assessment of the qualified Missouri businesses. The regional SBTDC
10 may consider numerous factors in such assessment, including but not
11 limited to, the quality and experience of the management team, the size
12 of the estimated market opportunity, the risk from current or future
13 competition, the ability to defend intellectual property, the quality and
14 utility of the business model, and the quality and reasonableness of
15 financial projections for the business.

16 (2) Each qualified Missouri business for which a regional SBTDC
17 has allocated tax credits such that the department can issue tax credits
18 to the qualified investors of such qualified Missouri business shall
19 submit to the regional SBTDC a report before such tax credits are
20 issued. The regional SBTDC shall provide copies of this report to the
21 department. Such report shall include the following:

22 (a) The name, address, and taxpayer identification number of
23 each investor who has made cash investment in the qualified securities
24 of the qualified Missouri business;

25 (b) Proof of such investment, including copies of the securities
26 purchase agreements and cancelled checks or wire transfer receipts;
27 and

28 (c) Any additional information as the regional SBTDC may
29 reasonably require under this section and section 348.273.

30 2. (1) The state of Missouri shall not be held liable for any
31 damages to any investor that makes an investment in any qualified
32 security of a qualified Missouri business, any business that applies to
33 be designated as a qualified Missouri business and is turned down, or
34 any investor that makes an investment in a business that applies to be

35 designated as a qualified Missouri business and is turned down.

36 (2) Each qualified Missouri business shall have the obligation to
37 notify the regional SBTDC that allocated tax credits to the qualified
38 Missouri business and the department in a timely manner of any
39 changes in the qualifications of the business or in the eligibility of
40 investors to claim a tax credit for cash investment in a qualified
41 security.

42 (3) The department shall provide the information specified in
43 subdivision (3) of subsection 4 of this section to the department of
44 revenue on an annual basis. The department shall conduct an annual
45 review of the activities undertaken under this section and section
46 348.273 to ensure that tax credits issued under this section and section
47 348.273 are issued in compliance with the provisions of this section and
48 section 348.273 or rules and regulations promulgated by each regional
49 SBTDC or the department with respect to this section and section
50 348.273.

51 (4) If the department determines that a business is not in
52 substantial compliance with the requirements of this section and
53 section 348.273 to maintain its designation, the department, by written
54 notice, shall inform the business that such business will lose its
55 designation as a qualified Missouri business one hundred twenty days
56 from the date of mailing of the notice unless such business corrects the
57 deficiencies and is once again in compliance with the requirements for
58 designation.

59 (5) At the end of the one hundred twenty-day period, if the
60 qualified Missouri business is still not in substantial compliance, the
61 department shall send a notice of loss of designation to the business,
62 each regional SBTDC, the director of the department of revenue and to
63 all known investors in the business.

64 (6) A business shall lose its designation as a qualified Missouri
65 business under this section and section 348.273 by moving its
66 operations outside Missouri within ten years after receiving financial
67 assistance under this section and section 348.273.

68 (7) In the event that a business loses its designation as a
69 qualified Missouri business, such business shall be precluded from
70 being issued any additional tax credits with respect to the business,
71 shall be precluded from being approved as a qualified Missouri

72 business and shall repay any financial assistance to the regional
73 SBTDC, in an amount to be determined by the regional SBTDC. Each
74 qualified Missouri business that loses its designation as a qualified
75 Missouri business shall enter into a repayment agreement with the
76 regional SBTDC specifying the terms of such repayment obligation.

77 (8) Investors in a qualified Missouri business shall be entitled to
78 keep all of the tax credits properly issued to such investors under this
79 section and section 348.273.

80 (9) The portions of documents and other materials submitted to
81 any regional SBTDC or the department that contain trade secrets shall
82 be kept confidential and shall be maintained in a secured environment
83 by the regional SBTDC and the department, as applicable. For the
84 purposes of this section and section 348.273, "trade secrets" means any
85 customer lists, formula, compound, production data, or compilation of
86 information that will allow individuals within a commercial concern
87 using such information the means to fabricate, produce, or compound
88 an article of trade or perform any service having commercial value,
89 which gives the user an opportunity to obtain a business advantage
90 over competitors who do not know or use such service.

91 (10) Each regional SBTDC and the department may prepare and
92 adopt procedures concerning the performance of the duties placed
93 upon each respective entity by this section and section 348.273.

94 3. Any qualified investor who makes a cash investment in a
95 qualified security of a qualified Missouri business may transfer the tax
96 credits such qualified investor may receive under subsection 4 of
97 section 348.273 to any natural person. Such transferee may claim the
98 tax credit against the transferee's Missouri income tax liability as
99 provided in subdivision (1) of subsection 4 of section 348.273, subject to
100 all restrictions and limitations set forth in this section and section
101 348.273. Only the full credit for any one investment shall be transferred
102 and this interest shall only be transferred one time. Documentation of
103 any tax credit transfer under this section shall be provided by the
104 qualified investor in the manner required by the department.

105 4. (1) Each qualified Missouri business for which tax credits
106 have been issued under this section and section 348.273 shall report to
107 the applicable regional SBTDC on an annual basis, on or before
108 February first. The regional SBTDC shall provide copies of the reports

109 to the department. Such reports shall include the following:

110 (a) The name, address, and taxpayer identification number of
111 each investor who has made cash investment in the qualified securities
112 of the qualified Missouri business and has received tax credits for this
113 investment during the preceding year;

114 (b) The amounts of these cash investments by each investor and
115 a description of the qualified securities issued in consideration of such
116 cash investments; and

117 (c) Any additional information as the regional SBTDC or the
118 department may reasonably require under this section and section
119 348.273.

120 (2) Each regional SBTDC shall report quarterly to the
121 department on the allocation of the tax credits in the preceding
122 calendar quarter. Such reports shall include:

123 (a) The amount of applications the regional SBTDC received;

124 (b) The number and ratio of successful applications to
125 unsuccessful applications;

126 (c) The amount of tax credits allocated but not issued in the
127 previous quarter, including what percentage was allocated to
128 individuals and what percentage was allocated to investment firms;

129 (d) The amount of unallocated tax credits; and

130 (e) Such other information as reasonably agreed upon by each
131 regional SBTDC and the department.

132 (3) The department shall also report annually to the governor,
133 the president pro tempore of the senate, and the speaker of the house
134 of representatives, on or before April first, on the allocation and
135 issuance of the tax credits. Such reports shall include:

136 (a) The amount of tax credits issued in the previous fiscal year,
137 including what percentage was issued to individuals and what
138 percentage was issued to investment firms;

139 (b) The types of businesses that benefitted from the tax credits;

140 (c) The amount of allocated but unissued tax credits and the
141 information about the unissued tax credits set forth in subdivision (2)
142 of this subsection;

143 (d) Any aggregate job creation or capital investment in the
144 region that resulted from the use of the tax credits for a period of five
145 years beginning from the date on which the tax credits were awarded;

146 **(e) The manner in which the purpose of this section and section**
147 **348.273 has been carried out with regard to the region;**

148 **(f) The total cash investments made for the purchase of qualified**
149 **securities of qualified Missouri businesses within the region during the**
150 **preceding year and cumulatively since the effective date of this section**
151 **and section 348.273;**

152 **(g) An estimate of jobs created and jobs preserved by cash**
153 **investments made in qualified Missouri businesses within the region;**

154 **(h) An estimate of the multiplier effect on the economy of the**
155 **region of the cash investments made under this section and section**
156 **348.273;**

157 **(i) Information regarding what businesses derived benefit from**
158 **the tax credits remained in the region, what businesses ceased**
159 **business, what businesses were purchased, and what businesses may**
160 **have moved out-of-region or out-of-state and why.**

161 **(4) Any violation of the reporting requirements of this subsection**
162 **by a qualified Missouri business may be grounds for the loss of**
163 **designation of such qualified Missouri business, and such business that**
164 **loses its designation as a qualified Missouri business shall be subject**
165 **to the restrictions upon loss of designation set forth in subsection 2 of**

 447.708. 1. For eligible projects, the director of the department of
2 economic development, with notice to the directors of the departments of natural
3 resources and revenue, and subject to the other provisions of sections 447.700 to
4 447.718, may not create a new enterprise zone but may decide that a prospective
5 operator of a facility being remedied and renovated pursuant to sections 447.700
6 to 447.718 may receive the tax credits and exemptions pursuant to sections
7 135.100 to 135.150 and sections 135.200 to 135.257. The tax credits allowed
8 pursuant to this subsection shall be used to offset the tax imposed by chapter
9 143, excluding withholding tax imposed by sections 143.191 to 143.265, or the tax
10 otherwise imposed by chapter 147, or the tax otherwise imposed by chapter
11 148. **Notwithstanding any provisions of law to the contrary, the**
12 **department shall not authorize tax credits and exemptions pursuant to**
13 **this subsection after the effective date of this act.** For purposes of this

14 subsection:

15 (1) For receipt of the ad valorem tax abatement pursuant to section
16 135.215, the eligible project must create at least ten new jobs or retain businesses
17 which supply at least twenty-five existing jobs. The city, or county if the eligible
18 project is not located in a city, must provide ad valorem tax abatement of at least
19 fifty percent for a period not less than ten years and not more than twenty-five
20 years;

21 (2) For receipt of the income tax exemption pursuant to section 135.220
22 and tax credit for new or expanded business facilities pursuant to sections
23 135.100 to 135.150, and 135.225, the eligible project must create at least ten new
24 jobs or retain businesses which supply at least twenty-five existing jobs, or
25 combination thereof. For purposes of sections 447.700 to 447.718, the tax credits
26 described in section 135.225 are modified as follows: the tax credit shall be four
27 hundred dollars per employee per year, an additional four hundred dollars per
28 year for each employee exceeding the minimum employment thresholds of ten and
29 twenty-five jobs for new and existing businesses, respectively, an additional four
30 hundred dollars per year for each person who is a person difficult to employ as
31 defined by section 135.240, and investment tax credits at the same amounts and
32 levels as provided in subdivision (4) of subsection 1 of section 135.225;

33 (3) For eligibility to receive the income tax refund pursuant to section
34 135.245, the eligible project must create at least ten new jobs or retain businesses
35 which supply at least twenty-five existing jobs, or combination thereof, and
36 otherwise comply with the provisions of section 135.245 for application and use
37 of the refund and the eligibility requirements of this section;

38 (4) The eligible project operates in compliance with applicable
39 environmental laws and regulations, including permitting and registration
40 requirements, of this state as well as the federal and local requirements;

41 (5) The eligible project operator shall file such reports as may be required
42 by the director of economic development or the director's designee;

43 (6) The taxpayer may claim the state tax credits authorized by this
44 subsection and the state income exemption for a period not in excess of ten
45 consecutive tax years. For the purpose of this section, "taxpayer" means an
46 individual proprietorship, partnership or corporation described in section 143.441
47 or 143.471 who operates an eligible project. The director shall determine the
48 number of years the taxpayer may claim the state tax credits and the state
49 income exemption based on the projected net state economic benefits attributed

50 to the eligible project;

51 (7) For the purpose of meeting the new job requirement prescribed in
52 subdivisions (1), (2) and (3) of this subsection, it shall be required that at least
53 ten new jobs be created and maintained during the taxpayer's tax period for
54 which the credits are earned, in the case of an eligible project that does not
55 replace a similar facility in Missouri. "New job" means a person who was not
56 previously employed by the taxpayer or related taxpayer within the twelve-month
57 period immediately preceding the time the person was employed by that taxpayer
58 to work at, or in connection with, the eligible project on a full-time
59 basis. "Full-time basis" means the employee works an average of at least
60 thirty-five hours per week during the taxpayer's tax period for which the tax
61 credits are earned. For the purposes of this section, related taxpayer has the
62 same meaning as defined in subdivision (9) of section 135.100;

63 (8) For the purpose of meeting the existing job retention requirement, if
64 the eligible project replaces a similar facility that closed elsewhere in Missouri
65 prior to the end of the taxpayer's tax period in which the tax credits are earned,
66 it shall be required that at least twenty-five existing jobs be retained at, and in
67 connection with the eligible project, on a full-time basis during the taxpayer's tax
68 period for which the credits are earned. "Retained job" means a person who was
69 previously employed by the taxpayer or related taxpayer, at a facility similar to
70 the eligible project that closed elsewhere in Missouri prior to the end of the
71 taxpayer's tax period in which the tax credits are earned, within the tax period
72 immediately preceding the time the person was employed by the taxpayer to work
73 at, or in connection with, the eligible project on a full-time basis. "Full-time
74 basis" means the employee works an average of at least thirty-five hours per week
75 during the taxpayer's tax period for which the tax credits are earned;

76 (9) In the case where an eligible project replaces a similar facility that
77 closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which
78 the tax credits are earned, the owner and operator of the eligible project shall
79 provide the director with a written statement explaining the reason for
80 discontinuing operations at the closed facility. The statement shall include a
81 comparison of the activities performed at the closed facility prior to the date the
82 facility ceased operating, to the activities performed at the eligible project, and
83 a detailed account describing the need and rationale for relocating to the eligible
84 project. If the director finds the relocation to the eligible project significantly
85 impaired the economic stability of the area in which the closed facility was

86 located, and that such move was detrimental to the overall economic development
87 efforts of the state, the director may deny the taxpayer's request to claim tax
88 benefits;

89 (10) Notwithstanding any provision of law to the contrary, for the purpose
90 of this section, the number of new jobs created and maintained, the number of
91 existing jobs retained, and the value of new qualified investment used at the
92 eligible project during any tax year shall be determined by dividing by twelve, in
93 the case of jobs, the sum of the number of individuals employed at the eligible
94 project, or in the case of new qualified investment, the value of new qualified
95 investment used at the eligible project, on the last business day of each full
96 calendar month of the tax year. If the eligible project is in operation for less than
97 the entire tax year, the number of new jobs created and maintained, the number
98 of existing jobs retained, and the value of new qualified investment created at the
99 eligible project during any tax year shall be determined by dividing the sum of
100 the number of individuals employed at the eligible project, or in the case of new
101 qualified investment, the value of new qualified investment used at the eligible
102 project, on the last business day of each full calendar month during the portion
103 of the tax year during which the eligible project was in operation, by the number
104 of full calendar months during such period;

105 (11) For the purpose of this section, "new qualified investment" means
106 new business facility investment as defined and as determined in subdivision (7)
107 of section 135.100 which is used at and in connection with the eligible
108 project. "New qualified investment" shall not include small tools, supplies and
109 inventory. "Small tools" means tools that are portable and can be hand held.

110 2. The determination of the director of economic development pursuant
111 to subsection 1 of this section shall not affect requirements for the prospective
112 purchaser to obtain the approval of the granting of real property tax abatement
113 by the municipal or county government where the eligible project is located.

114 3. (1) The director of the department of economic development, with the
115 approval of the director of the department of natural resources, may, [in addition
116 to the tax credits allowed in subsection 1 of this section,] grant a remediation tax
117 credit to the applicant for up to one hundred percent of the costs of materials,
118 supplies, equipment, labor, professional engineering, consulting and architectural
119 fees, permitting fees and expenses, demolition, asbestos abatement, and direct
120 utility charges for performing the voluntary remediation activities for the
121 preexisting hazardous substance contamination and releases, including, but not

122 limited to, the costs of performing operation and maintenance of the remediation
123 equipment at the property beyond the year in which the systems and equipment
124 are built and installed at the eligible project and the costs of performing the
125 voluntary remediation activities over a period not in excess of four tax years
126 following the taxpayer's tax year in which the system and equipment were first
127 put into use at the eligible project, provided the remediation activities are the
128 subject of a plan submitted to, and approved by, the director of natural resources
129 pursuant to sections 260.565 to 260.575. The tax credit may also include up to
130 one hundred percent of the costs of demolition that are not directly part of the
131 remediation activities, provided that the demolition is on the property where the
132 voluntary remediation activities are occurring, the demolition is necessary to
133 accomplish the planned use of the facility where the remediation activities are
134 occurring, and the demolition is part of a redevelopment plan approved by the
135 municipal or county government and the department of economic
136 development. The demolition may occur on an adjacent property if the project is
137 located in a municipality which has a population less than twenty thousand and
138 the above conditions are otherwise met. The adjacent property shall
139 independently qualify as abandoned or underutilized. The amount of the credit
140 available for demolition not associated with remediation cannot exceed the total
141 amount of credits approved for remediation including demolition required for
142 remediation.

143 (2) The amount of remediation tax credits issued shall be limited to the
144 least amount necessary to cause the project to occur, as determined by the
145 director of the department of economic development.

146 (3) The director may, with the approval of the director of natural
147 resources, extend the tax credits allowed for performing voluntary remediation
148 maintenance activities, in increments of three-year periods, not to exceed five
149 consecutive three-year periods. The tax credits allowed in this subsection shall
150 be used to offset the tax imposed by chapter 143, excluding withholding tax
151 imposed by sections 143.191 to 143.265, or the tax otherwise imposed by chapter
152 147, or the tax otherwise imposed by chapter 148. The remediation tax credit
153 may be taken in the same tax year in which the tax credits are received or may
154 be taken over a period not to exceed twenty years.

155 (4) The project facility shall be projected to create at least ten new jobs
156 or at least twenty-five retained jobs, or a combination thereof, as determined by
157 the department of economic development, to be eligible for tax credits pursuant

158 to this section.

159 (5) No more than seventy-five percent of earned remediation tax credits
160 may be issued when the remediation costs were paid, and the remaining
161 percentage may be issued when the department of natural resources issues a
162 letter of completion letter or covenant not to sue following completion of the
163 voluntary remediation activities. It shall not include any costs associated with
164 ongoing operational environmental compliance of the facility or remediation costs
165 arising out of spills, leaks, or other releases arising out of the ongoing business
166 operations of the facility. In the event the department of natural resources issues
167 a letter of completion for a portion of a property, an impacted media such as soil
168 or groundwater, or for a site or a portion of a site improvement, a prorated
169 amount of the remaining percentage may be released based on the percentage of
170 the total site receiving a letter of completion.

171 4. In the exercise of the sound discretion of the director of the department
172 of economic development or the director's designee, the tax credits and
173 exemptions described in this section may be terminated, suspended or revoked,
174 if the eligible project fails to continue to meet the conditions set forth in this
175 section. In making such a determination, the director shall consider the severity
176 of the condition violation, actions taken to correct the violation, the frequency of
177 any condition violations and whether the actions exhibit a pattern of conduct by
178 the eligible facility owner and operator. The director shall also consider changes
179 in general economic conditions and the recommendation of the director of the
180 department of natural resources, or his or her designee, concerning the severity,
181 scope, nature, frequency and extent of any violations of the environmental
182 compliance conditions. The taxpayer or person claiming the tax credits or
183 exemptions may appeal the decision regarding termination, suspension or
184 revocation of any tax credit or exemption in accordance with the procedures
185 outlined in subsections 4 to 6 of section 135.250. The director of the department
186 of economic development shall notify the directors of the departments of natural
187 resources and revenue of the termination, suspension or revocation of any tax
188 credits as determined in this section or pursuant to the provisions of section
189 447.716.

190 5. Notwithstanding any provision of law to the contrary, no taxpayer shall
191 earn the tax credits, exemptions or refund otherwise allowed in subdivisions (2),
192 (3) and (4) of subsection 1 of this section and the tax credits otherwise allowed in
193 section 135.110, or the tax credits, exemptions and refund otherwise allowed in

194 sections 135.215, 135.220, 135.225 and 135.245, respectively, for the same facility
195 for the same tax period.

196 6. The total amount of the tax credits allowed in subsection 1 of this
197 section may not exceed the greater of:

198 (1) That portion of the taxpayer's income attributed to the eligible project;
199 or

200 (2) One hundred percent of the total business' income tax if the eligible
201 facility does not replace a similar facility that closed elsewhere in Missouri prior
202 to the end of the taxpayer's tax period in which the tax credits are earned, and
203 further provided the taxpayer does not operate any other facilities besides the
204 eligible project in Missouri; fifty percent of the total business' income tax if the
205 eligible facility replaces a similar facility that closed elsewhere in Missouri prior
206 to the end of the taxpayer's tax period in which the credits are earned, and
207 further provided the taxpayer does not operate any other facilities besides the
208 eligible project in Missouri; or twenty-five percent of the total business income if
209 the taxpayer operates, in addition to the eligible facility, any other facilities in
210 Missouri. In no case shall a taxpayer operating more than one eligible project in
211 Missouri be allowed to offset more than twenty-five percent of the taxpayer's
212 business income in any tax period. That portion of the taxpayer's income
213 attributed to the eligible project as referenced in subdivision (1) of this
214 subsection, for which the credits allowed in sections 135.110 and 135.225 and
215 subsection 3 of this section, may apply, shall be determined in the same manner
216 as prescribed in subdivision (6) of section 135.100. That portion of the taxpayer's
217 franchise tax attributed to the eligible project for which the remediation tax
218 credit may offset, shall be determined in the same manner as prescribed in
219 paragraph (a) of subdivision (6) of section 135.100.

220 7. Taxpayers claiming the state tax benefits allowed in subdivisions (2)
221 and (3) of subsection 1 of this section shall be required to file all applicable tax
222 credit applications, forms and schedules prescribed by the director during the
223 taxpayer's tax period immediately after the tax period in which the eligible
224 project was first put into use. Otherwise, the taxpayer's right to claim such state
225 tax benefits shall be forfeited. Unused business facility and enterprise zone tax
226 credits shall not be carried forward but shall be initially claimed for the tax
227 period during which the eligible project was first capable of being used, and
228 during any applicable subsequent tax periods.

229 8. Taxpayers claiming the remediation tax credit allowed in subsection 3

230 of this section shall be required to file all applicable tax credit applications, forms
231 and schedules prescribed by the director during the taxpayer's tax period
232 immediately after the tax period in which the eligible project was first put into
233 use, or during the taxpayer's tax period immediately after the tax period in which
234 the voluntary remediation activities were performed.

235 9. The recipient of remediation tax credits, for the purpose of this
236 subsection referred to as assignor, may assign, sell or transfer, in whole or in
237 part, the remediation tax credit allowed in subsection 3 of this section to any
238 other person, for the purpose of this subsection referred to as assignee. To perfect
239 the transfer, the assignor shall provide written notice to the director of the
240 assignor's intent to transfer the tax credits to the assignee, the date the transfer
241 is effective, the assignee's name, address and the assignee's tax period and the
242 amount of tax credits to be transferred. The number of tax periods during which
243 the assignee may subsequently claim the tax credits shall not exceed twenty tax
244 periods, less the number of tax periods the assignor previously claimed the credits
245 before the transfer occurred.

246 10. In the case where an operator and assignor of an eligible project has
247 been certified to claim state tax benefits allowed in subdivisions (2) and (3) of
248 subsection 1 of this section, and sells or otherwise transfers title of the eligible
249 project to another taxpayer or assignee who continues the same or substantially
250 similar operations at the eligible project, the director shall allow the assignee to
251 claim the credits for a period of time to be determined by the director; except
252 that, the total number of tax periods the tax credits may be earned by the
253 assignor and the assignee shall not exceed ten. To perfect the transfer, the
254 assignor shall provide written notice to the director of the assignor's intent to
255 transfer the tax credits to the assignee, the date the transfer is effective, the
256 assignee's name, address, and the assignee's tax period, and the amount of tax
257 credits to be transferred.

258 11. For the purpose of the state tax benefits described in this section, in
259 the case of a corporation described in section 143.471 or partnership, in
